YOUR BUSINESS

With a Difference

We Enlight your Business

ECnet was established in 1999 in Bahrain. We are a full-service advertising agency, managing and implementing brands from inception through to sales and customer retention. We are strategically accurate and relevantly creative; our work is compelling, intelligent and impactful.

Currently ECnet has expanded itself in the Middle East through its extensive creativity and the desire to be unique in the region. It has also established its branches in different regions such as Saudi Arabia, Qatar and Oman.

Our Vision

It is our vision to be the choice for developing corporate images that capture the essence of the organization in any media platform.

Our Mission

The mission of ECnet is to provide results-oriented advertising, public relations, and marketing designed to meet our client's objectives by providing strong marketing concepts and excelling at customer service.

We desire to measure success for our clients through awareness, increased sales, or other criteria mutually agreed upon between the agency and the clients.

Get Noticed

We separate you from the competition

Strategic Thinking is about synthesis

Some of us are good in words , some of us are good at finding out facts about the audience, some of us are good at writing the plot, some of us are very good with directing.

Together, we make the story happen.

We know that story creators and story tellers make the difference.

Strategy & Consultancy
